S5

- According with the European standard EN ISO 20345:2011 (S5+SRA)

- PVC sole with nitrile

- Front, ankle and heel deflector protection against falling objects

CLEANING INSTRUCTIONS

Cleaning can be done by washing your wellington, after each use, with a soft brush and mild detergent. Rinse away the remains of the detergent with water and allow the boot to dry at room temperature and in the shade. Store in a well-ventilated and dry place.
