

TECHNICAL DATA SHEET  
KYROS

## 9KYROS

## CHARACTERISTICS

**Upper:** combination of suede velour leather and Oxford fabric

**Lining:** mesh

**Insole:** textile anatomical

**Sole:** double density Phylon / TPU

## SPECIAL FEATURES

The upper is made of a combination of high quality velour suede leather and Oxford fabric, which provides excellent durability and breathability. The lightweight sole is made of flexible Phylon combined with a TPU outsole for excellent grip and shock absorption, while the anatomically shaped textile insole further enhances comfort and durability

The KYROS unisex sneaker was carefully designed to be a comfortable and versatile choice for men and women.
